THOUSANDS OF STYLE WEEKLY READERS VOTED AND GAVE THESE FAMILY-FRIENDLY BUSINESSES THEIR STAMP OF APPROVAL WITH A BIG THUMBS UP. READ ON TO SEE WHO RICHMONDERS AND THEIR FAMILIES VOTED AS THEIR FAVES THIS YEAR.

- Caroline B., Dance Parent
Family Favorites 2017 results introduced us to some new Richmond businesses, and allowed us to again congratulate some perennial “Favorites”. This year’s voting period was abbreviated, but the enthusiasm was still intense!

Each September we ask our Style Weekly readers to cast their votes for their “Faves” in family-focused categories, like “Favorite Gymnastics Studio”, or “Favorite Daycare Provider”. The best part about being a “Family Favorite” is the fact that the voters had to type their “Favorites” names onto the online ballot - no drop-down lists! A few of the categories had only ONE VOTE separating the “Favorites”, even a couple of tied results, so our annual Family Favorites contest is really more of a celebration than a competition.

Please join us in celebrating these wonderful Richmond businesses - your Family Favorites of 2017! ...and let them know you saw them in Style Weekly!
Our thanks to the readers of *Style Weekly* for voting our Richmond-area hospitals—St. Mary’s Hospital, St. Francis Medical Center and Memorial Regional Medical Center—into first, second and third place for your “Favorite Place to Have a Baby” Award. We’re proud of our long track record of compassionate, family-centered care, state-of-the-art facilities and a world-class team of birthing professionals, making Bon Secours Richmond’s choice, year after year.
